BroadBand Services

September 04, 2019

Welcome

Quick BroadBand Services was born out of a vision to become the most admired in-the-home entertainment, education and interactive services company that creates radical social transformation, and delights and empowers customers.

Configuration

It is simple and elegant what we use to set up our devices!

Just power on the router and sit back. We remotely configure everything up and inform you with the credentials to login.

If something goes wrong, raise a ticket on our support portal. We provide the best support via chat too if you are not satisfied with our ticketing system.
